Stitched Paper "Sweet Valentine" Card:

Don't throw those holiday candy wrappers away! Repurpose them into a Sweet Valentine for someone you love.

Start by trying a couple quick and easy techniques that I will share with you for painting a watercolor background on a 4 inch x 6 inch card of mixed media paper. Then embellish the paper with stitches of embroidery thread and add various sizes of cut out heart shapes wrapped with foil wrappers. Use traditional pinks and reds or go bold and try something a little different - orange & turquoise, green & purple? The finished paper will then be glued to a 5 inch x 7 inch card.

Each participant will have materials to complete 2 cards, envelopes included. No experience necessary.

All materials will be provided but feel free to bring your own foil candy wrappers to use.
